

## IPAD: HOW TO DOWNLOAD YOUR NEW EBOOK

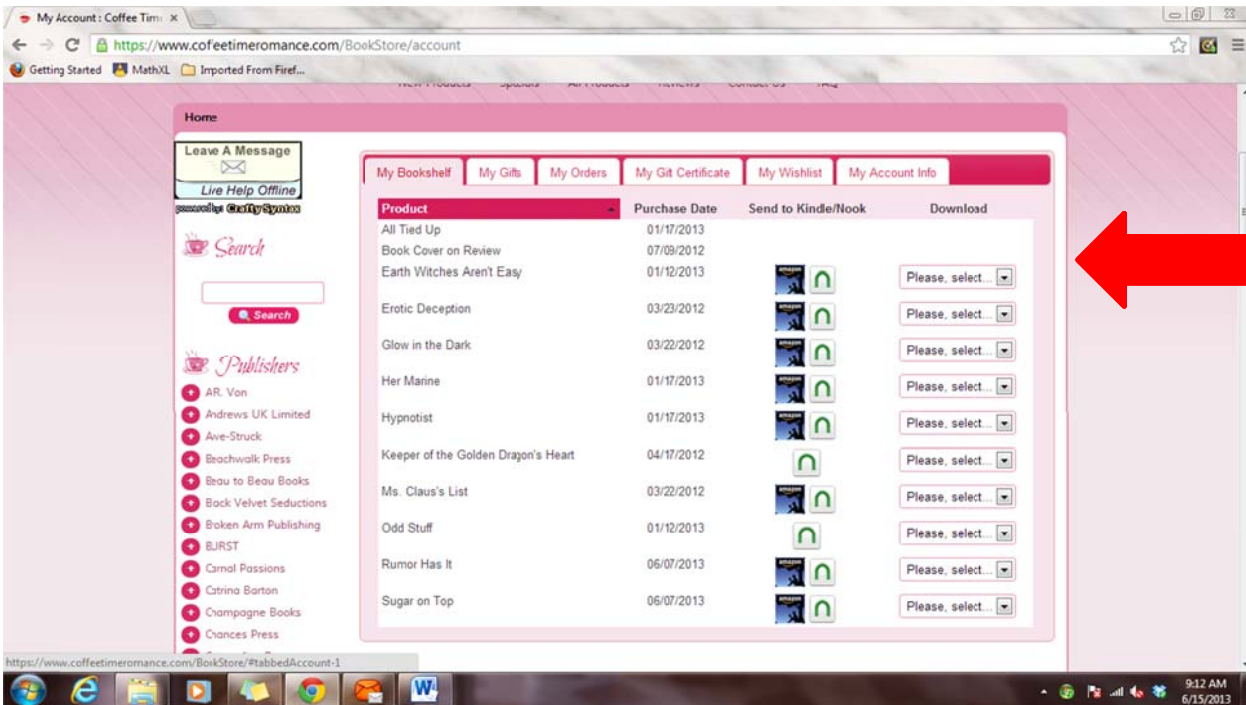

First, sign into your CTR bookstore account

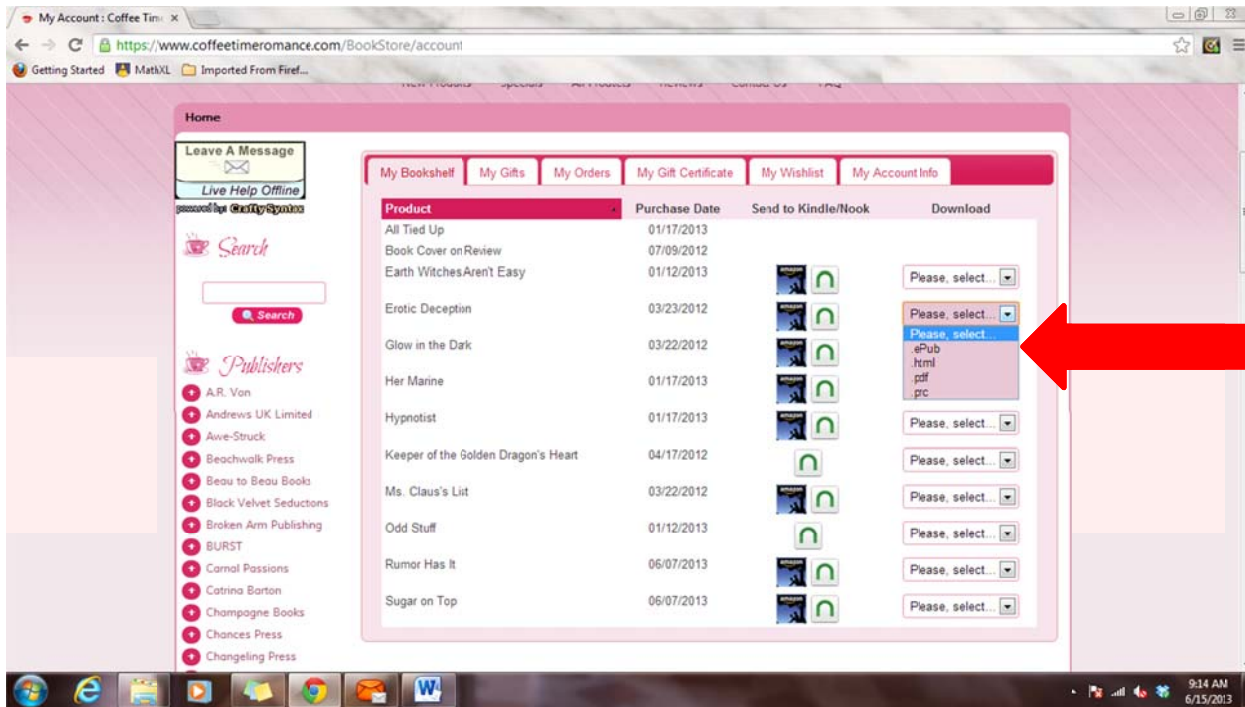

Choose from the wonderful selection of books in the CTR bookstore.

Make your purchase.

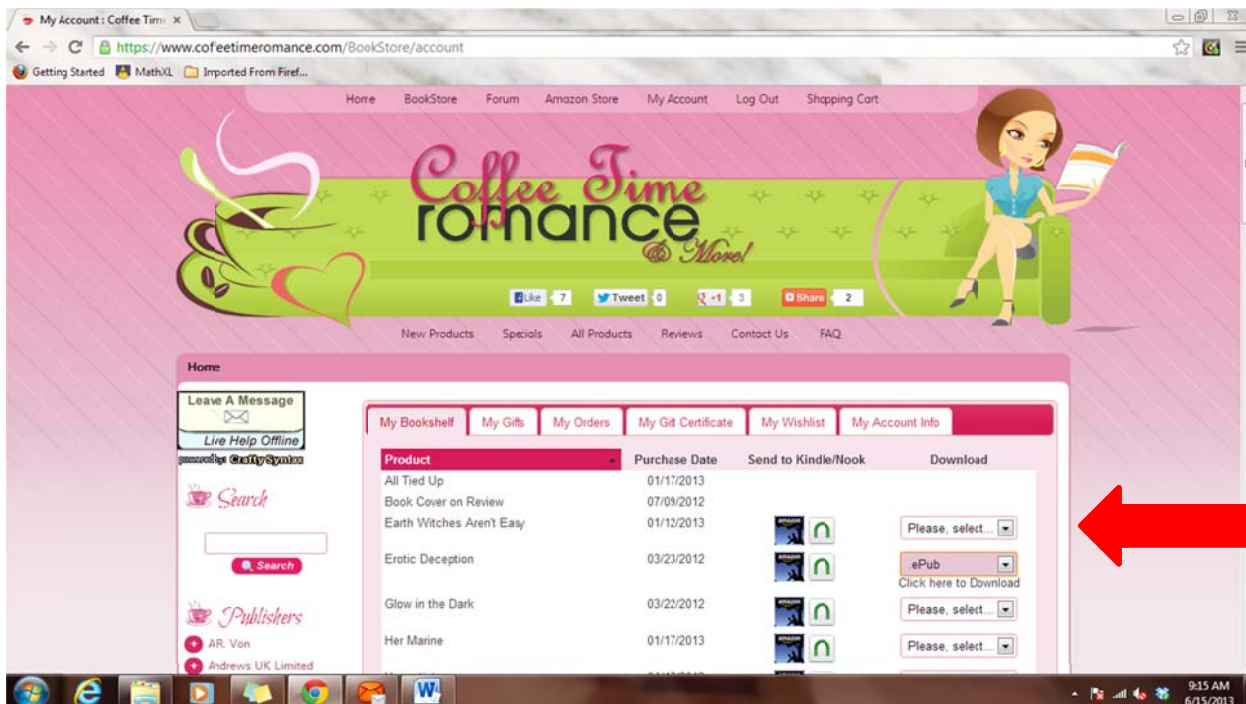

Click on the My Account tab. You will see a list of books you have purchased.

Choose which format you want (e.pub if you are using the iPad bookshelf or Nook app, mobi if you are using the Kindle app)

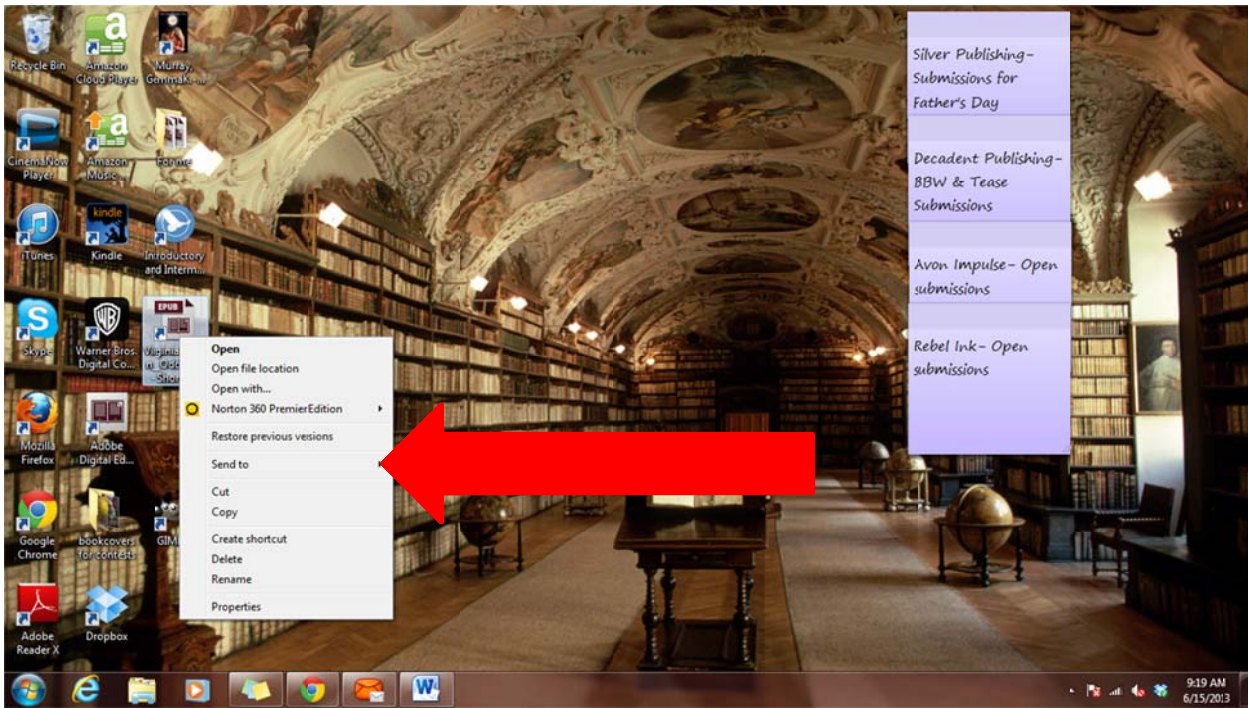

Beneath the format you will see a button that says Click to Download.

Hook your iPad up to your computer

Click on the book you want to download. A window will open. Click on the Send to, then click on iPad choice.

This will send the book to your iPad bookshelf. (If you use the Kindle or Nook apps on your iPad, be sure to choose the mobi. version of the book and follow the Kindle or Nook instructions.)
